## BEEF KORMA RECIPE

\*DAIRY FREE

\*EGG FREE

\*PREGNANCY SAFE

### Ingredients

- 1.5 kg beef chuck steak, cut into 3 cm pieces
- Salt and pepper, to taste
- 2 tbsp vegetable oil
- 2 small onions, thinly sliced
- 400 ml can coconut milk
- 1½ cups beef stock
- 250 g green beans, trimmed
- Garlic flatbread, to serve
- steamed basmati rice, to serve

Fresh coriander, to garnish

### Korma paste

- ½ cup roasted unsalted cashew nuts
- 2 cloves garlic, peeled
- 3 cm piece fresh ginger, peeled, chopped
- 2 tbsp desiccated coconut
- 2 tbsp vegetable oil
- 1 tbsp tomato paste
- ½ cup fresh coriander leaves, firmly packed
- 2 tsp garam masala
- 2 tsp ground cumin
- 2 tsp ground coriander
- 1 tsp ground turmeric

### Method

1. Season beef with salt and pepper. Heat half the oil in a large, flameproof casserole dish

(16-cup capacity) over a medium to high heat. Add beef in four batches. Cook for about 2 minutes before turning to brown the otherside. Remove.

2. Heat remaining oil in same dish. Add onions. Cook, stirring, until soft. Add korma paste. Stir for about 5 minutes, or until caramelised. Return beef with milk and stock. Bring to boil. Cover with lid.

3. Cook in a moderately slow oven (160C) for 2 hours, or until beef is tender. Add beans in last 10 minutes of cooking. Serve with garlic flatbread and rice. Garnish with coriander sprigs.

### Korma Paste

To make paste, combine cashews, garlic, ginger and coconut in a food processor. Process until finely chopped. Add oil, paste, coriander and spices. Process to form a smooth paste.

### A NOTE ON JIM DUNSTAN

*REST IN  
PEACE  
JIMMY*

*YOU  
REACHED  
100 YEARS!*

*YOU WILL  
BE  
GREATLY  
MISSED*

As you would all know, Jim Dunstan was no stranger to Cooroy. He reached a young 100 years on the 19 March 2018 before regrettably passing away on Anzac Day evening.

Jim was an RSL Life Member, a poet and a writer of many articles in the Cooroy Rag.

As an influential member of our community, I remember and miss his visits to my office where he would tell wonderful

stories of his youth and his much beloved wife. Always flashing a cheeky grin, I could just imagine him as a young man.

Even as he slowed down in life, the sparkle in his eyes never dimmed. Its with fondness that I remember this amazing man. And we will truly miss him.

I can only imagine what one must have seen in one hundred years.

### WHAT IS RSL QUEENSLAND & THE SUB BRANCH?

RSL Queensland has been supporting our Defence family since 1916.

Originally formed by soldiers returned from World War I, RSL Queensland is still run by veterans for veterans. Our members are young and old, female and male. They have served overseas and at home, in armed conflict, peacekeeping missions and disaster recovery. What they have in common is service.

**Today's RSL Queensland is the largest ex-service organisation in Queensland, with more than 240 Sub Branches across 10 Districts, offering advice, support and camaraderie to all current and former Australian Defence Force members and their families.**

## BODY ARTS FESTIVAL A great success

As sponsors of the Body Arts Festival I was thrilled to have the opportunity to get a guided tour behind the scenes as an invited VIP. At first I didn't really know what to expect or more the point, where to look but was pleasantly surprised by the body canvases and the amazing talents of the many artists. I learnt that 30 models would spend 5 hours being painted in an amazing and beautiful array of colours and

pictures with and a section devoted to "special effects". It is only the second time this event has been held in Cooroy and from what I can see with the continued support from the Cooroy Chamber and Cooroy Community, this event will only get bigger. It was very much a family friendly event and one in which I would go to again.

## 2018 FUSION FESTIVAL

Originating from the first birthday celebration of the opening of the Library. The Fusion Festival is now a major event on the Cooroy Community calendar, every **Mother's Day weekend**.

This is a family friendly Festival with something for everyone.

The Club this year were major partners of this event and hosted the famous pickled possum bar. You would have found us in the Bendigo Bank, live entertainment tent. This event would not have been possible without the generous financial sponsorship from many local businesses, and of course the efforts of a dedicated group of hardworking volunteers.

We are thrilled to have been a part of this and hope to continue to be a major sponsor for many years to come.

## COOROY MEMORIAL HALL—GRAND OPENING

At long last and with much thanks to all the Cooroy Community volunteers. It was wonderful to see the old hall be re-opened on the 21st April 2018. Again, I am pleased to say that Cooroy RSL & Citizens Club have been major sponsors by donating \$5000 in much need funds. I know many people were very upset that it was decided that the Club would

relinquish its Trusteeship of the hall after so many years and the reasons for this have been very valid. It has meant that the community with support from Noosa shire Council have been able to restore the old Hall into something truly amazing and beautiful for this town. They should all be very proud of their achievements. If anyone is wanting to hire the

Hall, they must complete an expression of interest form. This can be downloaded and submitted online at [www.cooroyhall.org.au](http://www.cooroyhall.org.au)

All terms and conditions of Hall Hire are available from that website.

Sorry the Club does not take bookings or hold a key to the Hall.

## 2018 ANZAC DAY

Another successful Anzac Day this year!

The Gun fire breakfast having served approx 290 guests from 6am following the dawn service.

We take our hats off to the Sub Branch team on providing support and putting in long hours of organizing to make this huge event such a success.

This day would not be possible without all the volunteers along with the community.

Hopefully next year we will have two up back in the hall.

Cooroy RSL lunch served 215 meals. We hope to see you all again next year.

## MEET HEATHER FORD BOARD MEMBER

I'm sure we have all heard the saying, "life is what you make it". Another old saying is, "give what you can, then a little bit more". I was taught this at a very young age, and as I grew up, I have tried to live by these same high standards my parents taught me, and in doing so have seen the blessing of helping

others returned many times over. I have tried to teach my children to live by these very same standards. Giving of one's ability and time are the greatest gifts one can give to enrich the lives of others. I have volunteered these very gifts to others in many different ways. I have fundraised for the National Heart Foundation, Cerebral Palsy League of Queensland, RSL Queensland, and Cooroy-

Pomona RSL Sub Branch. I have been a volunteer / member of the SES, and Rotary, Australian Navy Cadets and am now a JP (Qual). Being on many different committees and boards have given me much insight into the needs of the community from different angles.

While living ones life to the full, opportunities often present themselves in many ways that you can also enrich the lives of others to help them live their life to the fullest. A smile or a kind word is sometimes all that it takes to brighten up some-ones day, as we never know what they may be going through, even if you don't personally know the person, or their circumstances.

I may not be as rich with money as some people are, but I consider myself VERY rich with the love, support and blessings I have received throughout my life by taking a little time to help others. I would just like to end by adding yet another old saying, "Never look down on someone unless you are giving them a hand up".
